P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants, by the undersigned Attorney hereby Petition for the acceptance of late claiming of priority of the above-referenced Patent Application as being a Continuation-In-Part Application of Serial Number 10/251,505 filed on 20 September 2002 and now issued as U.S. Patent 6,609,023.

Attached to this Petition is a Declaration of Robert E. Fischell, who was appointed with the Power of Attorney at the time of the filing of the above-referenced Patent Application indicating the facts associated with the mistake in not properly claiming priority.

Further, attached is a check in the amount of \$1,410.00 in payment of the Petition fee under 37 C.F.R. §1.17(t). DECLARATION OF ROBERT E. FISCHELL

Mail Stop – DAC
Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Robert E. Fischell hereby declare as follows:

1. That I am a co-Inventor of the above-referenced Patent Application and was appointed the Power of Attorney at the time that the Application was filed on August 18, 2003;
2. That although I have prepared and have issued in my name approximately 100 U.S. Patents, I am not a Patent Attorney;
3. That I prepared the original Declaration, Power of Attorney and Petition filed in the subject Application and inadvertently did not include the fact in the "Declaration, Power of Attorney and Petition" that this Application was in fact a Continuation-In-Part of Serial Number 10/251,505 filed on 20 September 2002 and now issued as U.S. Patent 6,609,023;

4. That I did include on the first page of the Specification of the subject Application that "This Patent Application is a Continuation-In-Part of Serial Number 10/251,505 filed on September 30, 2002 now U.S. Patent 6,609,023" (although I made a mistake in the Filing Date) and I believed that this was sufficient for the claiming of the priority of Serial Number 10/251,505;

5. That the entire delay between the date that the claim was due and the date that this claim is being filed was unintentional;

6. That a Substitute Declaration properly claiming the priority is being filed with a Petition being filed by our Attorney, Morton J. Rosenberg of the Firm of Rosenberg, Klein & Lee having a business address at 3458 Ellicott Center Drive, Suite 101, Ellicott City, MD 21043.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the Application or any Patent issued thereon.
